Tekmira to Host Research and Development Webinar Providing Corporate Update on Product Pipeline

VANCOUVER, British Columbia, Oct. 3, 2013 (GLOBE NEWSWIRE) -- Tekmira Pharmaceuticals Corporation (Nasdaq:TKMR) (TSX:TKM), a leading developer of RNA interference (RNAi) therapeutics announced that management will be hosting a web-based seminar (Webinar) to provide a corporate update on its pipeline of therapeutic candidates on Tuesday, October 8, 2013 at 4:00 pm ET / 1:00 pm PT.

A live feed of the presentation slides and audio will be available on the "Investors" section of the company's website at www.tekmirapharm.com. To participate in the Webinar, please register at <http://investor.tekmirapharm.com/events.cfm>. Questions can be submitted online during the Webinar using the Q&A tab of the webcast player. A replay of the Webinar will be available on the Tekmira website approximately 24 hours after the event.

Questions may also be submitted in advance by pre-registering for the Webinar at <http://investor.tekmirapharm.com/events.cfm> and accessing the Q&A tab at the bottom of the webcast player, or sending an email directly to jregts@tekmirapharm.com with "Webinar Q&A" in the subject line.
